# Advertising in the Exhibition Halls

The following options are available for advertising in the exhibition halls:

## Screen for the Exclusive Presentation of Your Company

Moving images are particularly successful at attracting strong interest from visitors to the trade fair. Make the most of this phenomenon and book a screen in the IZB exhibition grounds on which your company presentation will be displayed. LED screens on stands positioned in busy locations such as walkways between halls and dining areas help to ensure that your advertising attracts the attention of passers-by. Use these screens to effectively present your message and shine the spotlight on your IZB stand. This option enables you to book a screen for your own exclusive use. The screen will show your slide show, Flash animation or image film in a constant loop.

## Aisle Signage

Attract attention to your company before visitors even get to your stand. With aisle signage, you have the opportunity to ensure that all eyes are on your company the moment visitors step into the aisle!

limited

## Floor Stickers in the Halls

Stay quite literally one step ahead of the competition – by using the floor as an advertising space! Floor stickers are your individual solution for a 'well-grounded' presentation of your advertising message.

limited

## Banner Advertising

Banners can be placed between the central entrances in the middle of the exhibition area or in the restaurant, attracting interest from visitors as they walk by.

## Screen for Exclusive Logo Presentation

The Client affirms that he/she is the owner of the copyrights of all documents and data provided to the Contractor that are necessary for the design and production of graphics, print media and giveaways. The Client is solely liable if the material he/she submits infringes the rights of a third party. Should such infringement cause costs to be incurred by the Contractor, the Client is obliged to reimburse these costs. In the case that costs are incurred in connection with changes to the initially agreed processes, execution and delivery, these costs will be calculated on the basis of hourly rates and material prices and must be borne by the Client. The total of the costs incurred must be requested from the Contractor. The Contractor's obligation to retain data ends six months after the expiry of the contract. Proofs will only be provided following the express wish of the Client and at the Client's expense. Wolfsburg AG is not liable for damaged or lost advertising media. The Client is particularly responsible for ensuring that any advertising media left at the stand are not accidentally disposed of during the dismantling of the stand.

### 4.4 Production/Assembly Reservation

Material that is not submitted within the stated deadline may jeopardise the proper execution of the order. No objections may be made with regard to any failures, incomplete processing, delays, etc. that may result from this. In the case of the delayed delivery of detailed information, Wolfsburg AG or the service provider mentioned reserves the right to apply surcharges.

## 5 Data Protection

If any personal data are processed in connection with the order, these will solely be processed for the execution of the contract. The data will not be used for any other purpose. More information on data protection can be found in our Privacy Policy on the IZB website.

## 6 Claims and Complaints

In order to enable the remedy of any defects, Wolfsburg AG must be immediately informed of any claims or complaints. Delayed claims or complaints cannot be taken into consideration and will lead to the loss of the Client's entitlement to the remedy of defects by Wolfsburg AG.

## 7 Liability

The Client is solely liable for all damages that occur as the result of incorrect provision, assembly and dismantlement of the advertising media on the part of the Client, including theft. The Client is not entitled to damage claims against Wolfsburg AG in the case of any weather-related impairments or damages to advertising media, or any damages to advertising media caused by third parties.

## 8 Other

Only exhibitor advertisements may be displayed on the exhibition grounds and in the halls. All accepted orders are subject to this reservation. The Client is not permitted to withdraw from the contract due to this reservation. Wolfsburg AG reserves the right to reject advertising content if this content violates statutory regulations or the rights of third parties (trademark rights, rights to a name, copyrights, data protection rights, etc.), is immoral or racist or runs counter to the interests of Wolfsburg AG to an unreasonable extent. Wolfsburg AG is not obliged to check advertising content for violations as stated in the third sentence of this paragraph before accepting an order.

Additional agreements, changes and amendments to this contract must occur in writing. This also applies to any waiver of the written form requirement. Should any part of this contract be or be rendered ineffective or invalid, or should the contract contain any gaps in provisions, this shall not affect the remaining parts, which will remain in full force and effect. An invalid provision shall be replaced by a provision that is as equivalent as possible or has the same reliability and purpose as the former provision to the greatest extent possible.
